Mr Robertson,

I am hoping that I have contacted the correct person.

We have been appointed by the trustees of ARP - Aon UK Section DB Pension Scheme as their records show that they may have lost contact with you. At LexisNexis (formerly Tracesmart), we help pension schemes to find and confirm the identity of individuals who may have lost contact with their employer. The trustees are committed to keeping their members informed about their pension benefits and would like to re-establish contact with you. It's possible they have not had any contact from you for some time or may hold an old address.

Please could you call me on 0808 129 3111 / +44 (0)2920 678558 to discuss this matter further? If you wish to provide me with a contact number, I am able to call you.

In order to confirm that we are speaking to the correct person we will need to perform a basic identity check before releasing any details.

Please visit www.lexisnexis.com/risk/verify-faq for further information about us.

Please quote reference 893398

Kind regards,

Claire Dean
